

Streele Dairy

The walk from the car park to the Dairy is majority on level grounding, there is a slight slope near the door to the Dairy. There is one step up in to the Dairy, this will lead you in to the kitchen. There is also a double bedroom with an ensuite on this level. Three steps up to the lounge, this then leads through to one twin bedroom, one bathroom and one double bedroom with a very spacious walkway. The sun terrace is one very small step down from the lounge through the patio doors, where there is a table, chairs and logs for the fire.

Eight steps to games rooms/swimming pool.

Streele Barn

The walk from the car park to the Barn takes approximately 2 minutes, the walk to the Barn consists of level grounding up until a very slight slope (outside the Dairy). You will need to walk up five steps to get inside the Barn (two sets of two steps and one step in to the hallway of the Barn). On the same floor as the hallway of the Barn, you have the lounge, dining room, kitchen and a small bathroom. There are four small steps down in to the utility room from the kitchen. There are two small steps down in to a double bedroom from the walkway (next to the bathroom). Twelve steps in total up to two double bedrooms with ensuites.

Six steps to games room/swimming pool.
